

The top of the page features a blue background with a stylized city skyline. In the center, a circular graphic is composed of many small, multi-colored dots (red, yellow, blue, green, purple, grey) arranged in a grid. To the right of this circle is a black and white checkered racing flag on a black pole, waving. To the left of the circle are several white horizontal lines of varying lengths, suggesting speed or motion.

Tempo machen für Inklusion – barrierefrei zum Ziel!
